# Industrial IoT Solutions: the netFIELD Portfolio

Open, CRA-ready eco-system for Industry 4.0

SPS, November 2025

# 39 Years

Experience with industrial networks.

# 420 Employees

## 12 Locations worldwide
9 Sales subsidiaries
3 Development sites

## 3.000 Customers worldwide
D → EU → US → APAC → ROW

# 60 %
**of revenue** international

# 1.100

**In über 25 Gremien** in führenden Positionen

**Products** for the Industrial Communication

**24**

**Millions installed Net nodes** (Basis netX)

## Our Know-How

CANopen · CC-Link · CC-Link IE Field
CC-Link IE Field Basic · DeviceNet · EtherCAT
EtherNet/IP · ETHERNET POWERLINK · IO-Link
Modbus · MQTT · OPC UA
PROFIBUS · PROFINET · sercos the automation bus
SmartWire-DT™ The easy way to connect · VARAN

4.0 Innovation Award
